

# TRICK TRAINING FOR DOGS

**TRAINING CLASS WITH JASEN DUNCAN**  
**SUNDAY, JUNE 26, 2016, 11 am – 12:15 pm**  
**DAN FOLEY PARK, VALLEJO**  
**(before the BMD CNC BBQ picnic)**

Jasen will demonstrate advanced tricks and go over the basics of how to teach tricks to your dogs.

Dogs of any age can participate. Working teams will need lots of tasty treats (cut up hot dogs work best) and should plan to have fun with their dog!

Participating teams will work on Shake, Spin, Take a Bow, Sit Pretty, Let's Pray (putting paws on arm). And if your dog can do those already, Jasen will offer some more advance tricks for you to start on.

*This class can be a way for teams to earn a Trick Title from DoMoreWithYourDog.com. Novice Trick Dog (NTD) should be possible for most enrolled in the workshop. Applications will be available at the class.*
